The ensemble Lindo - winner of the highest international awards - invites you into the natural surroundings of the mediaval stony scene of the Dubrovnik caranteen from the 16 century - a cultural monument protected by UNESCO.

Do not leave Dubrovnik without experiencing our folk concert!

P.S.

In case of bad weather we have prepared the equally attractive closed space Lazareti.

Reserve your ticketson time! Tel/fax: 323-535.

Tickets can be purchased at the entrance two hours before the show.
